

zinger (szybka i ostra reakcja)

Mr. Moyers' moralizing has sometimes given him a sanctimonious air, but surprisingly, now that he has his own bully pulpit, it's rarely in sight. Instead, he has sent sharp, crisp zingers flying in all directions.

Time for a Smile

Mick Jagger and Arnold Schwarzenegger both studied economics and look how they turned out.

*

Two men are flying in a captive balloon. The wind is ugly and they come away from their course and they have no idea where they are. So they go down to 20 m above ground and ask a passing wanderer. "Could you tell us where we are?" "You are in a balloon." So one pilot says to the other: "The answer is perfectly right and absolutely useless. The man must be an economist." "Then *you* must be a businessman" answers the man. "That's right! How did you know?" "You have such a good view from where you are and yet you don't know where you are!"

*

Why did God create stock analysts? In order to make weather forecasters look good.

*

An economist is a trained professional paid to guess wrong about the economy. An econometrician is a trained professional paid to use computers to guess wrong about the economy.
